Period Covered by a Statement:

The "period covered" by a campaign statement begins the day after the closing date of the last campaign statement filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee's first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is "controlled" if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter "Not Yet Received." File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee's Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

**Officeholder or Candidate Controlled
Committee:**

Candidates must have a separate bank account and committee to run for different elective offices. A candidate who is required to file campaign statements in connection with more than one elective office but is only receiving contributions and making expenditures for one of the offices, may include both offices on one Form 460. In Part 5 of the cover page, enter the candidate's name and under "Office Sought or Held," identify each office, and state whether the candidate is seeking or holding the office. The Form 460 must be filed with the appropriate filing officer(s) for each office.

For example, a city councilmember is raising funds to run for the county board of supervisors. She has no committee and is not raising or spending funds in connection with the city office, and has formed a controlled committee for the county office. To comply with the requirements to file campaign statements for both her city office and her county candidacy, she may complete one Form 460 each campaign reporting period, which she will file with the city clerk and the county elections department. In Part 5 of the Form 460 Cover Page, under "Office Sought or Held," she will state that she is holding the office of city councilmember (including the name of the city) and that she is seeking a seat on the board of supervisors (including the name of the county).

Ballot Measure Committee:

Part 6 of the Form 460 Cover Page must be completed by committees that are primarily formed to support or oppose the qualification or passage of a single ballot measure or two or more measures being voted on in the same city, county, multicounty, or state election. A "general purpose" ballot measure committee (one that supports or opposes a variety of state and/or local ballot measures) is not required to complete Part 6.
