NOTICE OF RUNWAY CLOSURE

Wednesday, May 5th and Thursday, May 6th

8 a.m. to 5 p.m.

FOR

Healdsburg Municipal Airport Runway Crack Sealing

April 19, 2021

Dear Tenants / Airport Users:

The City of Healdsburg has contracted with American Asphalt Repair and Resurfacing Company, Inc. for runway crack sealing. Construction will take place from 8 a.m. to 5 p.m. on May 5, 2021 and May 6, 2021, contingent upon suitable weather. The runway will be completely closed during construction. Access to hangers and airport services will remain open.

Crack sealing is necessary to preserve the runway pavement and prevent water intrusion into the underlying base material resulting in more costly repairs.

Though temporary impacts to you are inevitable, our goal is to complete the project without creating any more disturbance than necessary.

The City of Healdsburg is greatly appreciative of your patience and understanding while the runway is closed. Should you have any questions or concerns, please do not hesitate to contact me at your earliest convenience by phone at (707) 431-3391, or email at cthistle@ci.healdsburg.ca.us.

Additionally, please feel free to contact American Asphalt Company Project Manager, Stu Miller by phone at (707) 732-0274, or by email at smiller@americanasphalt.com

Sincerely,

Clay Thistle

Clay Thistle, Senior Engineer
