

AGENDA
SONOMA COUNTY CITY SELECTION
COMMITTEE

February 9, 2023 at 5:30 p.m.

In response to the coronavirus cases in the County and continuing concerns of the Governor of California and the County Public Health Officer about potential community spread of the virus resulting from prolonged indoor gatherings, the City Selection Committee of Sonoma County has suspended conducting in-person meetings to minimize the spread of the COVID-19 virus pursuant to the provisions of the Brown Act as amended by AB 361 (2021). The City Selection Committee of Sonoma County will be conducting the meeting via Zoom.

City of Healdsburg is inviting you to a scheduled Zoom meeting.

Re: Appointment to Bay Area Air Quality Management District Board of Directors

Dear Sonoma County Mayors and Council Members,

I am writing to ask for your support in appointing me to serve on the Bay Area Air Quality Management District (BAAQMD) Board of Directors.

The last 13 years of my career have been focused on energy, transportation, and buildings policy and program development. My experience with air quality improvement measures includes building and appliance regulations, and electrification of light duty vehicles, first/last-mile delivery, and heavy-duty trucking. I have participated in regulatory processes at the California Public Utilities Commission, Air Resources Board, and Energy Commission, and helped advance climate and clean energy legislation in Sacramento.

In 2020, I ran for a seat on the Petaluma City Council because I truly love local government. Now, after two years of serving, I am seeking a seat on the BAAQMD Board because I want to help reduce emissions and local air pollution throughout Bay Area communities.

In many ways, BAAQMD's work is precedent-setting for our nation. Addressing intersectional issues like environmental, climate, and economic justice require BAAQMD board members to do what is best for the health of our climate and public, while mitigating concerns about equity, career displacement, the economy, and more. I am up for the challenge.

As the son of a union carpenter who was raised in a Sonoma County dairy family and today works in climate policy, my life experiences have forced me to see different sides of issues. My diverse background will help me understand and take principled positions on the many complex issues that BAAQMD takes on.

For these reasons, I ask for your support. Please do not hesitate to contact me by phone at (707) 373-6414 or by email at bbarnacle@cityofpetaluma.org if you would like to speak more about my interest in this position.

Thank you for your consideration and happy New Year.

Sincerely,

Brian Barnacle

RE: LETTER OF INTEREST – LOCAL AGENCY FORMATION COMMISSION (LAFCO)

Dear Mayors and Council Members:

I am writing to request your support for my appointment to the Local Agency Formation Commission as one of the two members to be appointed.

In 2021 I was elected, via special election, to fill a vacant seat on the Sonoma City Council and have already submitted my Candidate Intention statement for 2024. Previously, I served two terms on the Sonoma Valley Unified School District Board of Trustees. Currently, I am serving on multiple County committees, including Sonoma County Transportation & Regional Climate Protection Agency and Sonoma Clean Power.

The City of Sonoma has just received its first LAFCO approved MSR since 2006. The MSR made four recommendations about modifications to the City's SOI, one of which includes eliminating an "island". Further, there is continued discussion of annexation of the "Springs" area adjacent to the city limits. The City of Sonoma has not had membership on the commission and wishes to be more actively engaged at the regional level by filling a seat at LAFCO.

With the support of the Sonoma City Council, I would be happy to fulfill a four-year term and to assist in moving forward LAFCO's objectives: to **encourage** the orderly formation of local government agencies and promote the efficient provision of public services; to **preserve** agricultural land and open-space resources; and to **promote** orderly growth and discourage urban sprawl.

Thank you for your support.

Respectfully,

Sandra M. Lowe
Council Member

Re: Request for Appointment to Local Agency Formation Commission (LAFCO)

Dear Honorable Mayors and Council Members,

I am submitting this letter to you to advance my candidacy for election to the above position by the Mayors' and Councilmembers' Association Board of Directors.

I have been honored to serve as the representative of the Mayors and Council Members on various positions, most recently as your member to the North Bay Division LOCC Executive Board. I have represented our city on many regional JPA's and Committees that have given me a wealth of knowledge about the issues in our region. My knowledge and experience addressing issues of water, waste and legislative concerns for our region provides me with a perspective to hit the ground running on the projects facing LAFCO.

I am proud of the regional approach taken, in Sonoma County, by all of our JPA's and Committees. During my time on the Council, I have seen this grow stronger as the Cities continue to work towards solutions that work for all of our communities. I strongly believe that together we are able to provide the best and most efficient services when a regional approach is appropriate. We all live in a special place and love our rural character. I will continue to support our open space and agricultural areas by ensuring we advance efforts to preserve these valuable resources. Our region has worked hard to prevent urban sprawl and ensure that we have appropriate growth boundaries. I respect the choices made by our communities and would work to honor those boundaries.

I respectfully ask for your support of my request for appointment and will work hard to represent you.

Sincerely,

Susan Harvey
Vice Mayor

ATTN: Noelle Francis

Dear Ms. Francis,

I hope this letter finds you well. I am applying for the LAFCO and Sonoma County Oversight Board Committee Alternate positions. I am hoping that my many years as an attorney working with various agencies along with my MBA will be of service to these positions.

During my years of representing clients I have worked with various agencies to seek results that worked for both parties. During my time living in Guerneville, I followed the interests of involving LAFCO. My MBA will hopefully be helpful with the issues involved with the Oversight Board Committee's work.

I am looking forward to meeting and working with you and hopefully being of service to these positions. If you have questions, please find my e-mail below. Thank you very much for your consideration.

All Best,
signed

Stephen Zollman
Sebastopol Council Member
