### PHASE II: APPLICATION EVALUATION AND REVIEW (1,200 Points)

During this application period the City will allow up to two (2) cannabis business permits. The Procedure Guidelines and Review Criteria constitute the application process and are adopted pursuant to the City of Healdsburg Municipal Code (HMC) Chapter 20.20.095 and Chapter 20.08 (Zoning). Applications will be reviewed and scored using a merit-based system. The top ranked applicants from Phase II, as determined by the City, may be eligible to advance to Phase III. The decision as to how many Applicants will be interviewed will be determined by the City Manager, based upon the overall quantity and quality of applications that the City receives. Notice of the results of Phase II will be provided in writing via email to the primary contact listed on the application.
