ADVANCED NOTICE OF ROAD CONSTRUCTION

Municipal Recycled Water Pipeline City of Healdsburg

Dear Residents & Business Owners,

Argonaut Constructors is under contract with the City of Healdsburg for the Recycled Water Pipeline project. We wish to notify residents and businesses of the upcoming construction:

Please note and be advised of street work and days of work:

• ROAD CLOSURE ON KENNEDY DRIVE (SEE ATTACHED MAP FOR LOCATION)

• ANTICIPATED DAYS: 6/13/24 THROUGH 6/19/24

Construction hours will be 7:00 am to 6:00 pm, Monday through Friday. Construction signs will be posted before work begins. 'No Parking' areas and closures will delineate specific days and times when all vehicles and equipment must be moved off the street. Detours will be marked for ease of travel during construction. Driveway access will be limited. However, emergency service access will not be restricted at any time. You will have driveway access at the end of each shift.

We appreciate your cooperation and patience during construction. Argonaut Constructors will make every effort to meet the needs of everyone affected by this work. Although temporary impacts on your neighborhood are inevitable, we aim to improve roadways without creating more disturbance than necessary. We expect you will be pleased with the finished product. Please feel free to contact us with any questions you may have.

Thank you,
John Carlisle
Argonaut Constructors
Project Manager
