Hi Chris,
Thank you very much for taking the time to share your thoughts with us. It means a great deal.
In the future it's best to send Council related messages to cherrod@healdsburg.gov
That way it is entered into the public record, as are my replies. I'm copying that address here now so there is no need to re-send.
Thanks again!

Dear council members,

Please vote to approve district map A. Although I prefer a strong mayor form of city government that has been discarded, district map A provides better representation than map D for the south end of town that had been lacking in the past.

Thank you in advance for considering this request.
