ON-SITE ADDRESS SIGN REQUIREMENTS & ALLOWABLE CONSTRUCTION HOURS

Healdsburg Municipal Code Section 9.32.070

Prior to commencement of construction within the City of Healdsburg any project involving construction including; reconstruction, remodels, renovation, demolition, grading, or where the property is not occupied or where the public way is affected, the permit holder shall post the address identification.

ADDRESS IDENTIFICATION: sign(s) shall be posted in a conspicuous place preferably near the building main entrance. Address numbers shall be minimum four inches (4") tall and all other information shall be a minimum of (2") tall and visible from the public right-of-way, at least five feet (5') above ground level. Address numbers and the allowable construction days/hours shall be printed on a contrasting background. Please post this notice at the entrance to the area of construction:

ALLOWABLE CONSTRUCTION HOURS (includes any and all deliveries or off-haul)

MONDAY—FRIDAY	7:30 a.m. to 6:00 p.m.
SATURDAY	7:30 a.m. to 6:00 p.m.
SUNDAY/HOLIDAYS	Prohibited

Construction work includes; any site preparation, equipment or material assembly, installation, development, substantial repair, alteration, demolition, or similar activity, for or on private property or public right-of-way, structures, or utilities. Posting of the On-site Address and Allowable Construction Hours is for the purpose of providing basic location and City regulation information to the public, all contractors their employees and subcontractors, and all other persons at the construction site. Address identification is also essential for emergency responders.

Violation of address identification requirements and/or the allowable construction hours may be enforced by issuance of a Stop Work Order requiring suspension of work or issuance of a citation(s) or both.
