FOR IMMEDIATE RELEASE

**U.S. 101-Between Windsor and Geyserville
Rehabilitation Project
Overnight Alternating Ramp and Lane Closures
June 12 - 14, 2017**

SONOMA COUNTY– Caltrans has started construction of the U.S. 101 Rehabilitation Project in Sonoma County which will rehabilitate and repave approximately 14-miles of northbound and southbound US-101 between Windsor and Geyserville.

Caltrans has scheduled overnight paving works from June 12 onward, from 7PM-7AM. Work will be Northbound US-101 between Dry Creek to Canyon Road. During this work, residents may notice increased noise from construction and mandatory backup alarms.

Although no full highway closures are scheduled at this time, motorists may experience delays as crews work to repave US-101 with intermittent overnight alternating ramp and lane closures during construction. Ramp closure, and detour signs will be posted. All work is weather permitting.

For real-time traffic, click-on Caltrans Quick Maps at: <http://quickmap.dot.ca.gov/>
Or follow us on Twitter at: <https://twitter.com/caltransd4>

If work is delayed due to weather conditions, it will be rescheduled. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and please #BeWorkZoneAlert.
