

Vison Clearance - Corner Lots

Excerpts from Land Use Code Section 20.16.005.E

Last Updated: July 1, 2023

On corner lots, within a triangular area formed by the street property lines and a line connecting point on the street property lines thirty (30) feet from the street intersection, no fence, wall, hedge, or other obstruction except the natural grade of a site shall exceed a height of 2.5 feet (thirty inches) above established grade at the edge of the existing or proposed pavement, provided that trees pruned up to 8 feet above street grade shall be permitted.
